

Student council students and honor society group collects food for pantry

It was really a time of Thanksgiving when students at Pewitt School participated in the annual canned goods food drive to assist the local food bank for Christmas giving to needy families in the area.

"Every year about this time, members of the Pewitt Junior High School Student Council along with members of the Pewitt High School National Honor Society, collect canned goods and non-perishable food goods for the local food bank," said the Rev. Bryan Peck, who oversees the food bank operation. "This year was once again a huge success."

Under the leadership of Ms. Sonya Smith, the Junior High Student Council members collected and bagged 726.6 pounds of food for the local pantry. Ms. Christy Williamson and the High School National Honor Society students collected 729.6 pounds of food to be donated to the food pantry.

Bro. Peck said his food pantry team will use the collected gifts of food to make a nice Christmas for several families in the local area.

"Everyone involved in the work of the food pantry expressed thanks and appreciation for all that is done to help the needy families in our area," added Bro. Peck.

Students posed for a group photo after taking part in putting the groceries into sacks for delivery.
