Students should bring a water bottle to school each day; water fountains will not be used.

Elementary and Junior High students do not bring book bags. High School students may bring book bags.

Masks are not required at this time because our county has fewer than 20 active Covid cases; however, masks are requested and encouraged.

Even though bus transportation will be provided and buses will be sanitized after each trip, if possible, parents are encouraged to bring students to school and pick them up. Bus riders are requested and encouraged to wear masks.

More information will be provided shortly on the Return-to-School Protocol to keep students and staff safe.
