

Important Notice

In an effort to create the safest possible work environment for our employees and customers alike, the bank lobbies will be open by appointment only starting on Monday, March 23, 2020. This will allow us to give you the best possible experience we can while protecting you at the same time. Please note that our drive-thru is still available for your convenience. This is what we are doing to protect our customers during this crucial time:

- Enhanced Cleaning – We are regularly cleaning all surfaces with customer contact. This includes the drive-thru lanes and ATMs.
- Employee Health – We are going the extra mile to ensure employees are taking proper precautions to ensure their health and wellbeing. If any employees display symptoms, they are promptly encouraged to go home immediately until they are better.
- Customer Relations – If you, or your business, have been adversely affected by this pandemic, let us know. Please let us partner with you to help you succeed.

This would be a great opportunity to try banking with us online. You can; pay bills, transfer money, make mobile deposits and even pay someone back using our P2P payments option. It's very easy and it's free!

If you would like to make an appointment, please call one of our branches today.

We are happy to help.
