

EFFECTIVE March 23, 2020, the Morris County Tax office will be closed to the public until further notice. We are posting mail payments, online payments and answering the phones. All title work for dealers will be by appointment only on an as needed basis.

If you come to the office, place your paperwork in the provided folder and slide it under the door.

We appreciate your patience as we strive to assist you safely.

The online renewal site is www.TXDMV.gov
