Inmate Mail - Important Update

In an effort to keep contraband out of the Morris County Jail Facility the Morris County Sheriff's Office is implementing a new system for sending documents, photos and mail to inmates.

If you wish to send documents, photos and mail to inmates, we now have a quicker and more efficient method using our new Inmate Messaging system where you just go to www.NCIC.com and set up an account. You can then easily send messages to an inmate for instant delivery. You can also take a picture of any documents and attach to these messages. Messages are only \$0.25 per messages and Picture Messages / Documents are only \$0.35 per picture. This is much cheaper than postage, envelopes and the time it takes to mail a letter and the inmate will receive the message and/or picture instantly. There will be no limits on how many messages and photos that can be sent to the inmates.

Beginning on April 22nd, 2024, all inmate mail, **EXCEPT for legal and medical mail**, must be mailed to the following address utilizing existing Morris County Sheriff's Office Jail mail rules. **ALL legal and medical mail** must be mailed to the Morris County Jail:
